ORDER:

In order to facilitate early diagnosis and prompt treatment of sick animals at the doorstep of farmers and to render extension of services to the farmers to increase the rural economy by way of increase in milk, meat and egg production etc., Government have sanctioned 42 Mobile Veterinary Clinics in the backward and tribal areas in the State in the references first, third and fourth read above. 2. The Director of Animal Husbandry in his letter ninth read above has reported that Government have accorded permission to continue 42 Mobile Veterinary Clinics sanctioned during 2007-08. Since the above Mobile Veterinary Clinics are providing wide range departmental activities such as early diagnosis and prompt treatment of sick animals, conducting prophylactic vaccinations among the livestock for controlling contagious and infectious diseases, inseminate the animals at the village level and to render extension services at the doorstep of the farmer in remote, backward and tribal areas of the State, they have won the appreciation of the local farmers and the 42 Mobile Veterinary Clinics are functioning successfully during the year 2007-08 and they have to be continued during 2008-09 also in anticipation of obtaining Government orders. He has also reported that the consolidated pay of veterinary Assistant Surgeon (retired Graduate Veterinarian) has to be paid @ Rs.8,500/- per month for a period of 12 months without TA and FTA by entering into fresh agreement during 2008-2009. In respect of consolidated pay for Animal Attendant working through outsourcing, the same amount of consolidated pay of Rs 3900/- per month paid during 2007-08 has to be paid in 2008-09 also. They are to be continued by entering into fresh agreement. He has further reported that as per the orders issued in the reference eighth read above, Government have to issue orders for hiring 5 vehicles @ Rs.18,000/- each for 2500 KMs in a month and 37 vehicles @ Rs.17,000/- each for 2500 KMs in a month during 2008-09, which includes drivers' salary and fuel to the vehicles.

P.T.O.

3. The Director of Animal Husbandry has further reported that the Joint Director (AH) Mahabubnagar has informed that 3 Mobile Veterinary Clinics are functioning in Mahabubnagar District at Achampet, Bommarajpet and Shadnagar, that the Mobile Veterinary Clinic at Shadnagar is not functioning properly due to chronic shortage of retired Graduate Veterinarians who are willing to work for the post of Veterinary Assistant Surgeon and also problems in getting hired vehicles on contract basis. However the departmental services in that area are covered to a larger extent by the staff positioned in field veterinary institutions surrounding the area of operation of Mobile Veterinary Clinic. In Narayanpet Division, the veterinary services provided to farmers is not satisfactory due to staff, vacancies and less institutional network. He has further reported that a Mobile Veterinary Clinic at Makthal which is in a remote area will cater to the needs of farmers of 4 adjacent Mandals. In order to fulfill the demand of farmers in that area, he has suggested that the Mobile Veterinary Clinic at present functioning at Shadnagar may be shifted to Makthal of Narayanpet division.

4. Government have examined the proposal of the Director of Animal Husbandry. In the circumstances reported by him and keeping in view the animal health care in the backward and tribal areas, Government hereby accord permission for continuation of the 42 Mobile Veterinary Clinics sanctioned in the references first, third and fourth read above, and to shift the Mobile Veterinary Clinic from Shadnagar, Mahabubnagar District to Makthal in the same District, as per the list annexed to this order, during the year 2008-2009.
